Situated 30 kms away from Tezpur and on the banks of River Brahmaputra, **Bura-Chapori Wildlife Sanctuary** is one of the most frequented tourist destinations. Covering an area of 44.06 sq.km, the sanctuary has a wide range of flora and fauna. Some of the wildlife present here includes tiger, wild buffalo, wild pig, one horned rhino and elephants. The sanctuary is home to a wide range of birds and it is a favored spot for migratory birds as well. Some of the birds here include Bengal florican, woodcock and swamp partridge. The wildlife safari tour lets you have an in depth study of the sanctuary's best features.
